Re: 12 Day Pre-Primary Report (07/1/99-10/25/99)

Dear Ms. deBeau:

Reference is made to your letter dated January 11, 2000 and Mr. John D. Gibson's letter dated February 3, 2000.

This is to confirm our telephone conversation of February 15, 2000 in which I expressed to you that our committee has acted on your information request and is in the process of preparing our written response.

As soon as our accounting consultants have the opportunity of reviewing the amendment to our original reports, we will file with the FEC.

The reason for the delay is that our accountants are busy with the tax season; notwithstanding they have promised the undersigned that they would be available next week.

Please excuse our delay.

Cordially yours,

Luis M. Correa-Marquez, Esq.
